CSCS Cards for East Brighton Residents

CSCS - Construction Skills Certification Scheme

- Are you looking to work in the Building Industry?
- Do you need a CSCS Operatives card?

If the answer to these questions is “yes”, The Bridge may be able to help with training and costs.

How does it work?

- Make an appointment with an adviser 01273 294930
- Attend drop in sessions to gain health and safety skills and practice the test on a computer
- We will book you for a test, and help you to get a card.

CSCS cards are increasingly demanded as proof of occupational competence by contractors, public and private clients and others.

FREE for those on a means tested benefit and those who live in the local area.
Full cost fee £10 (funding may be available to pay for this)
